Message from the President

Wisdom, Women and Wealth

Women and men think differently. Better?

Women and men give differently. Agree or disagree?

Research has proven that women's influence in charitable giving has grown and continues to grow. According to Lilly School of Philanthropy's *Women Give 2016*,

What is the AFP Florida Caucus?

Michelle Turman, MA, CFRE, Suncoast Florida Caucus Representative

The AFP Florida Caucus is a coalition of the 18 AFP Florida Chapters and the Puerto Rico Chapter. The AFP Florida Caucus is dedicated to advancing philanthropy by enabling people and organizations to practice ethical and effective fundraising through education, training, mentoring, research, credentialing and advocacy; and under an informal joint relationship, convene as a group to conduct statewide business of interest to the chapters as well as sponsor and conduct a statewide educational event Planet Philanthropy.

At the AFP Suncoast Chapter level, your representatives are Chapter President, Sara Leonard, CFRE and Planet Philanthropy Chair, Bryn Warner,

CFRE. To learn more about the Florida Caucus Board representatives, please visit <https://afpflorida.wordpress.com/about/>

Over the next six months, and now that Planet Philanthropy is completed, we will have two main goals. One will be to complete a more comprehensive and functional website that will include easier access to job openings and fundraising resources. Lastly, the Caucus will be working towards assessing its purpose and how we can improve value to our members.
