Planet Philanthropy is coming to Tampa in June - hooray! Our state fundraising conference moves around the state each year and for the first time in many years, we are hosting it right here in downtown Tampa. I think this is fabulous but I realize not everyone agrees with me. So for those who aren't sure, here are 7 reasons not to attend (and why I think they are wrong).

BE THE CAUSE

YOU can Be the Cause!

Thank you for being a member of the Association of Fundraising Professionals Suncoast Chapter and thank you for all you do to empower, strengthen and transform our community!

The 2017 AFP Be the Cause Campaign is now in full swing and with 100% Board participation!

Please consider a gift that is meaningful to you. Charitable contributions to AFP:

- Develop and implement new programs nationally and locally
- Provide education and research to our profession
- Deliver professional advancement opportunities
- Offer scholarships to deserving members

So far this year, charitable contributions provided scholarships for fellow AFP members to advance their knowledge of the profession through attendance at conferences and assisted with costs associated with bringing in experts in the fund raising industry to provide CFRE-level training experiences based on member needs and requests.

Giving is easy –simply log on to www.AFPnet.org and click on the  in the upper right hand corner that says **MAKE A GIFT.** You can make a one-time gift, a pledge or join the Alpha Society with your monthly recurring donation!

Everyone who makes a **gift of \$50 or more will receive a Donor pin** recognizing them for being a member of Be the Cause! Our goal this year is \$5290 and to date we have already raised \$2210!

If you have any questions at all, don't hesitate to reach out to Kathy Rabon, 2017 Be the Cause Chair at KathyRabon@EmpathHealth.org or 727-523-3406.

Thank you for all you do!
